The Auk 120(1):236, 2003

Erratum

Note of Correction: Republished manuscript by J. Mark Hipfner and Anthony J. Gaston in *The Auk* 119, No. 3 (July 2002), pages 827–832.

Due to a clerical error, the penultimate draft of the paper by J. M. Hipfner and A. J. Gaston was published in the July 2002 issue of *The Auk* (vol. 119, no. 3). Revisions in the final edited draft (by Associate Editor D. N. Nettleship and senior author J. M. Hipfner) include the title of the paper, terminology usage, and corrections to the list of references. The final, corrected version of the paper can be found on *The Auk* website at www.aou.org/aou/contents.html. All citations and use of the Hipfner and Gaston work should therefore correspond with the final version posted on the homepage and not that appearing in Auk 119(3): 827–832. The correct citation for the paper is

Hipfner, J. M., and A. J. Gaston. 2002–03. Growth of Thick-billed Murre (*Uria lomvia*) Chicks in Relation to Parental Experience and Hatching Date. Auk 119:827–832 and 120:235.

An errata list of principal errors and corrections of original 2002 publication follows.
