2017 REVIEWERS FOR WATERBIRDS

The quality of any scientific journal greatly depends on the evaluations provided by referees. The editorial staff not only relies on their expertise and assessment in deciding which manuscripts to publish, but their efforts substantially improve the quality of the manuscripts that are published. We thank the following individuals who served as reviewers for manuscripts submitted to *Waterbirds* from 1 January 2017 to 31 December 2017 (names in bold indicate those who contributed two or more reviews).
