Announcement

Tenth North American Moose Workshop

The Tenth North American Moose Workshop will convene in Duluth, Minnesota, March 25-29, 1974. Registration will be on Monday, March 25, with programs and discussion to begin on Tuesday and continue through Thursday. Plans are being made for field trips on Thursday and Friday into Minnesota's north-eastern moose range, the Superior National Forest and along the North Shore of Lake Superior.

The Committee requests submission of titles as soon as possible.

CORRECTION FOR LAST EDITION WILDLIFE DISEASE

Harry W. Huizinga

Due to a processing error made by Kodak Co., the titles (headers) of microfiche 2 and 3, Wildlife Disease Nos. 61 and 62 (last edition) were reversed. Please replace microfiche 2 and 3 with the new mailing and discard originals, **but save fiche 1.** Kodak is paying all costs for their mistake.

ANNOUNCEMENT

The Wildlife Disease Association will award Recognition-Travel Grants to worthy students conducting research on diseases of wild animals

The purpose of the grant is to assist the student with travel expenses to report on the results of the research to the W.D.A. Annual Meeting July 31 - Aug. 3, 1974 at Asilomar, California. Interested students and faculty advisors may obtain additional information and applications from the W.D.A., P.O. Box 886, Ames, Iowa 50010 USA.
