BioOne Complete (complete.BioOne.org) is a full-text database of 200 subscribed and open-access titles in the biological, ecological, and environmental sciences published by nonprofit societies, associations, museums, institutions, and presses.

Your use of this PDF, the BioOne Complete website, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Complete content is strictly limited to personal, educational, and non - commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

WATERBIRDS

JOURNAL OF THE WATERBIRD SOCIETY ISSN 1524-4695

EDITORIAL BOARD

Waterbirds, the journal of the Waterbird Society, welcomes the submission of articles, notes, critical commentary manuscripts, and reviews that deal with the biology, status, techniques of study, and conservation of aquatic birds. Our goal is to encourage communication among those interested in this group of birds. Detailed instructions for contributors may be found elsewhere in this issue. Waterbirds is listed or abstracted in Biological Abstracts, Wildlife Reviews, Current Contents, and the Zoological Record. Waterbirds is printed by E. O. Painter Printing Co., P.O. Box 877, DeLeon Springs, Florida, 32130, USA. Please return defective copies to the printer for replacement.
