High-Quality Content With a Budget-Friendly Price Tag

BioOne was founded by independent publishers and librarians in 1999. Today our policies, pricing, and BioOne Digital Library platform features are designed to sustainably deliver critical research in the biosciences to a worldwide user base.

Benefits for Library Partners

AFFORDABLE: Tiered pricing and discounts via 40+ consortia.

EFFICIENT: Access a critical mass of content with a single subscription.

SUPPORT FOR STRATEGIC RESEARCH: Trusted content on the impacts of climate change on global ecosystems; research relevant to many of the United Nations' SDGs.

FLEXIBLE: Choose from our traditional annual subscription or new one-time BioOne Complete Archive purchase option – see below for details.

Valuable Features and Tools

POST-CANCELLATION ACCESS provided at no cost for subscribed content

REMOTE ACCESS to support on and off-campus users

INTEGRATED DISCOVERY via MARC records and 15+ indexing and discovery partners

SEAMLESS REFERENCE TOOLS compatible with EndNote, RefWorks and more

USAGE ANALYTICS via COUNTER 5 compliant statistics and SUSHI harvesting

Coming 2026: Subscribe to Open

BioOne will offer a **Subscribe to Open pilot for select BioOne Complete titles**, beginning 2026. This will advance our mission and benefit libraries, publishers, and the wider biosciences community. Contact Sales@BioOne.org to learn more.

BioOne Complete is trusted by more than 3,500 accessing universities, government agencies, research institutions, and corporations around the world.

Contact us at Sales@BioOne.org or scan the QR code for price quotes, free trials, and to learn how you can become a part of the BioOne library community.
