

Common Species of Vascular Plants at Experimental Sites

Plant names from the WA Plant Census (<http://www.dec.wa.gov.au/florabase/index.html>)

McCorkhill

Overstorey trees (>10 m)

Corymbia calophylla (marri)
Eucalyptus marginata (jarrah)

Intermediate trees (<10 m)

Allocasuarina fraseriana
Banksia grandis
Xylomelum occidentale

Tall shrubs (>2 m)

Taxandria parviceps
Persoonia elliptica
Persoonia longifolia

Low shrubs (<2 m)

Acacia browniana
Adenanthos barbiger
Bossiaea linophylla
Dasyogon bromeliifolius
Hibbertia amplexicaulis
Hibbertia commutata
Hovea chorizemifolia
Hovea elliptica
Hypocalymma angustifolium
Lepidosperma squamatum
Lepidosperma leptostachyum
Leucopogon capitellatus
Leucopogon verticillatus
Mesomelaena tetragona
Patersonia occidentalis
Petrophile diversifolia
Podocarpus drouynianus

Herbs

Clematis pubescens
Opercularia hispidula
