The BioOne Digital Library (<https://bioone.org/>) provides worldwide distribution for more than 580 journals and eBooks from BioOne's community of over 150 nonprofit societies, research institutions, and university presses in the biological, ecological, and environmental sciences. The BioOne Digital Library encompasses the flagship aggregation BioOne Complete (<https://bioone.org/subscribe>), the BioOne Complete Archive (<https://bioone.org/archive>), and the BioOne eBooks program offerings ESA eBook Collection (<https://bioone.org/esa-ebooks>) and CSIRO Publishing BioSelect Collection (<https://bioone.org/csiro-ebooks>).

Your use of this PDF, the BioOne Digital Library, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at [www.bioone.org/terms-of-use](http://www.bioone.org/terms-of-use).

Usage of BioOne Digital Library content is strictly limited to personal, educational, and non-commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

---

BioOne is an innovative nonprofit that sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

## Book Review Editor

R. TODD ENGSTROM, *Florida State University Coastal and Marine Laboratory, St. Teresa, Florida 32358, USA*

## Memorials Editor

ALAN H. BRUSH, *92 High Street, Mystic, Connecticut 06355, USA*

## Membership, Subscription, and Correspondence

*The Auk* (ISSN 0004-8038, e-ISSN 1938-4254) is published quarterly (January, April, July, October) by the University of California Press, Journals and Digital Publishing, for the American Ornithologists' Union, 3575 Hempland Road, Lancaster, PA 17601. Periodicals postage paid at Berkeley, CA, and additional mailing offices. POSTMASTER: Send address changes to *The Auk*, University of California Press, Journals and Digital Publishing, 2000 Center Street, Suite 303, Berkeley, CA 94704-1223.

**Membership:** Persons interested in birds are invited to join the American Ornithologists' Union. Regular membership costs \$85 per year; student memberships are \$27. Membership is \$27 for persons in all countries *except* the United States, Canada, Israel, Japan, Australia, New Zealand, and the following Western European countries: Iceland, Norway, Sweden, Finland, Denmark, Germany, The Netherlands, Belgium, Luxembourg, France, the United Kingdom, Ireland, Switzerland, Austria, Italy, Spain, and Portugal. All members receive *The Auk* and *Ornithological Monographs*, and North American members receive a bimonthly *Ornithological Newsletter*. A life membership is \$2,550, paid in one sum or four annual installments of \$637.50. All correspondence regarding membership, including dues payments and changes of address, should go to Ornithological Societies of North America, 5400 Bosque Blvd., Suite 680, Waco, TX 76710-4446, or business@osnabirds.org. Gifts of any amount for the Endowment Fund are welcome and should be sent to AOU c/o Burk and Associates, 1313 Dolley Madison Blvd., Suite 402, McLean, Virginia 22101. Gifts to the AOU are tax deductible to the extent permitted by law.

**Subscriptions:** Subscriptions for institutions are \$278 (\$298 outside North America) for electronic plus print; electronic only is \$250. Single copies are \$72. Canadian subscribers, please add 5% GST to the subscription price. Canadian GST 89626 2698 RT0001. See <http://www.ucpressjournals.com> for single issue and subscription orders, claims information, advertising inquiries, reprints and permissions, and abstracting and indexing coverage for the journal. Address all business correspondence to the street address above or write to customerservice@ucpressjournals.com.

**See last page for instructions to contributors, and copying and permissions notice.**

Printed by Allen Press.

**Cover:** Top, pair of sexually monomorphic Altamira Orioles (*Icterus gularis*, female below male); bottom, pair of dimorphic Baltimore Orioles (*I. galbula*, female above male) on their Mexican wintering grounds. Both sexes of Altamira Oriole have elaborate coloration, whereas female Baltimore Orioles have lost their elaborate plumage. (See Hofmann et al., pages 778–789 and 790–795.) Original acrylic and watercolor painting by Kathleen Boyle.
