The BioOne Digital Library (<https://bioone.org/>) provides worldwide distribution for more than 580 journals and eBooks from BioOne's community of over 150 nonprofit societies, research institutions, and university presses in the biological, ecological, and environmental sciences. The BioOne Digital Library encompasses the flagship aggregation BioOne Complete (<https://bioone.org/subscribe>), the BioOne Complete Archive (<https://bioone.org/archive>), and the BioOne eBooks program offerings ESA eBook Collection (<https://bioone.org/esa-ebooks>) and CSIRO Publishing BioSelect Collection (<https://bioone.org/csiro-ebooks>).

Your use of this PDF, the BioOne Digital Library, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Digital Library content is strictly limited to personal, educational, and non-commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne is an innovative nonprofit that sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

Inhalt / Contents

Tobias Bauer, Hubert Höfer & Jens Schirmel: Data Paper: Spider assemblages (Arachnida: Araneae) in urban grassland patches in Karlsruhe (Baden-Württemberg, Germany)	1
Giulio Gardini: <i>Neobisium (Neobisium) onnisi</i> n. sp., a new subterranean pseudoscorpion from Sardinia (Arachnida: Pseudoscorpiones: Neobisiidae)	
<i>Neobisium (Neobisium) onnisi</i> n. sp., ein neuer subterranner Pseudoskorpion aus Sardinien (Arachnida: Pseudoscorpiones: Neobisiidae)	2-5
Karl-Hinrich Kielhorn & Theo Blick: Erstnachweis der Ungarischen Zwergkräuselspinne <i>Altella hungarica</i> (Araneae: Dictynidae) in Deutschland	
First record of the tiny mesh web weaver <i>Altella hungarica</i> (Araneae: Dictynidae) in Germany	6-9
Michael Schäfer: Zur Springspinnenfauna (Araneae, Salticidae) der griechischen Dodekanes-Insel Rhodos, mit der Erstbeschreibung des Weibchens von <i>Pseudeuophrys rhodiensis</i> und dem ersten Nachweis von <i>Evarcha nepos</i> für Griechenland	
On the jumping spider fauna (Araneae, Salticidae) of the Greek Dodecanese island Rhodes, with the first description of the female of <i>Pseudeuophrys rhodiensis</i> and the first record of <i>Evarcha nepos</i> for Greece	10-17
