In the originally published article, the Acknowledgements section was found to be incomplete with respect to inclusion of all funding partners. The corrected Acknowledgements section is shown below. The original article is corrected.

Acknowledgements

The authors wish to thank S. Khalife, A. Thompson, and F. Maiolo for their assistance in data and sample collection on farm and at the abattoir. The authors would like to show appreciation to S. Méthot for his statistical analysis and support, and C. Roberge for the blood CK analysis. Furthermore, the authors are grateful to Luckhart Transport for providing the trailers, drivers, and manpower, Synergy farms for providing the pigs and manpower, and lastly Conestoga Meat Packers Ltd. for providing guidance, manpower, slaughter

facilities, and meat. This project was made possible by funding from Carrozzeria Pezzaioli, Ontario Pork, Sask Pork, Manitoba Pork, Alberta Pork, Agriculture Funding Consortium, Canadian Coalition for Farm Animals (CCFA), Your Neighbourhood Credit Union, and Agriculture & Agri-Food Canada AgriInnovation Program.
