The BioOne Digital Library (<https://bioone.org/>) provides worldwide distribution for more than 580 journals and eBooks from BioOne's community of over 150 nonprofit societies, research institutions, and university presses in the biological, ecological, and environmental sciences. The BioOne Digital Library encompasses the flagship aggregation BioOne Complete (<https://bioone.org/subscribe>), the BioOne Complete Archive (<https://bioone.org/archive>), and the BioOne eBooks program offerings ESA eBook Collection (<https://bioone.org/esa-ebooks>) and CSIRO Publishing BioSelect Collection (<https://bioone.org/csiro-ebooks>).

Your use of this PDF, the BioOne Digital Library, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Digital Library content is strictly limited to personal, educational, and non-commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne is an innovative nonprofit that sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

CONTENTS

RESEARCH ARTICLES

ENERGY INFRASTRUCTURE

- 1 **Noise from four types of extractive energy infrastructure affects song features of Savannah Sparrows** by Miyako H. Warrington, Claire M. Curry, Bridget Antze, and Nicola Koper
- 137 **Male Greater Prairie-Chickens adjust their vocalizations in the presence of wind turbine noise** by Cara E. Whalen, Mary Bomberger Brown, JoAnn McGee, Larkin A. Powell, and Edward J. Walsh

INVASIVE SPECIES

- 16 **Invasive coqui frogs are associated with greater abundances of nonnative birds in Hawaii, USA** by Robyn L. Smith, Karen H. Beard, and David N. Koons

MIGRATION

- 30 **Long-term changes in the seasonal timing of landbird migration on the Pacific Flyway** by Gina G. Barton and Brett K. Sandercock

SHOREBIRD BIOLOGY

- 47 **Response of beach-nesting American Oystercatchers to off-road vehicles: An experimental approach reveals physiological nuances and decreased nest attendance** by Shilo K. Felton, Kenneth H. Pollock, and Theodore R. Simons

DEMOGRAPHY

- 63 **Demography and metapopulation dynamics of an urban Cooper's Hawk subpopulation** by Brian A. Millsap
- 106 **Spatial patterns in occupancy and reproduction of Golden Eagles during drought: Prospects for conservation in changing environments** by J. David Wiens, Patrick S. Kolar, W. Grainger Hunt, Teresa Hunt, Mark R. Fuller, and Douglas A. Bell
- 201 **Declining Marbled Murrelet density, but not productivity, in the San Juan Islands, Washington, USA** by Teresa J. Lorenz and Martin G. Raphael
- 223 **How effective is the Safe Harbor program for the conservation of Red-cockaded Woodpeckers?** by Jennifer A. Smith, Kerry Brust, James Skelton, and Jeffrey R. Walters

STOPOVER BIOLOGY

- 81 **Exotic- and native-dominated shrubland habitat use by fall migrating Swainson's Thrushes and Gray Catbirds in Michigan, USA** by Yushi Oguchi, Zachary Pohlen, Robert J. Smith, and Jennifer C. Owen
- 166 **Fine-scale heterogeneity drives forest use by spring migrant landbirds across a broad, contiguous forest matrix** by Theodore J. Zenzal, Jr., Robert J. Smith, David N. Ewert, Robert H. Diehl, and Jeffrey J. Buler

HABITAT SELECTION

- 94 **Reed management influences philopatry to reed habitats in the Great Reed Warbler (*Acrocephalus arundinaceus*)** by Thomas Oliver Mérő, Antun Žuljević, Katalin Varga, and Szabolcs Lengyel

CONTAMINANT EXPOSURE

- 125 **Attractiveness of male Zebra Finches is not affected by exposure to an environmental stressor, dietary mercury** by Virginia W. Greene, John P. Swaddle, Dana L. Moseley, and Daniel A. Cristol

HABITAT EFFECTS ON REPRODUCTIVE SUCCESS

- 149 **Demographic response of Piping Plovers suggests that engineered habitat restoration is no match for natural riverine processes** by Kelsi L. Hunt, James D. Fraser, Meryl J. Friedrich, Sarah M. Karpanty, and Daniel H. Catlin
- 234 **There goes the neighborhood: White-crowned Sparrow nest site selection and reproductive success as local density declines** by Elizabeth L. Porzig, Nathaniel E. Seavy, John M. Eadie, Thomas Gardali, Diana L. Humple, and Geoffrey R. Geupel

SURVEY METHODS

- 188 **Using occupancy modeling to monitor dates of peak vocal activity for passerines in California** by Brett J. Furnas and Michael C. McGrann

CORRECTION

- 185 **Erratum: Biochemical and clinical responses of Common Eiders to implanted satellite transmitters** by Christopher J. Latty, Tuula E. Hollmén, Margaret R. Petersen, Abby N. Powell, and Russel D. Andrews

BOOK REVIEW

- 245 *Birds of New Guinea: Distribution, Taxonomy, and Systematics* by Bruce M. Beehler and Thane K. Pratt, reviewed by John P. Dumbacher
- 247 *The Narrow Edge: A Tiny Bird, an Ancient Crab, and an Epic Journey* by Deborah Cramer, reviewed by Alison R. Kocek
