The BioOne Digital Library (<u>https://bioone.org/</u>) provides worldwide distribution for more than 580 journals and eBooks from BioOne's community of over 150 nonprofit societies, research institutions, and university presses in the biological, ecological, and environmental sciences. The BioOne Digital Library encompasses the flagship aggregation BioOne Complete (<u>https://bioone.org/subscribe</u>), the BioOne Complete Archive (<u>https://bioone.org/archive</u>), and the BioOne eBooks program offerings ESA eBook Collection (<u>https://bioone.org/esa-ebooks</u>) and CSIRO Publishing BioSelect Collection (<u>https://bioone.org/csiro-ebooks</u>).

Your use of this PDF, the BioOne Digital Library, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at <u>www.bioone.org/terms-of-use</u>.

Usage of BioOne Digital Library content is strictly limited to personal, educational, and non-commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne is an innovative nonprofit that sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

Calendar of meetings

The BioScience calendar is published in every issue. Announcements must be received at least two months (by the first of the month) before publication. Address correspondence to CALENDAR, BioScience, 1444 I Street, NW, Suite 200, Washington, DC 20005; e-mail: spotter@aibs.org.

Classified Advertisements in BioScience

The classified section of BioScience includes notices of positions available, research awards and fellowships, and meetings and seminars. Both display classifieds and line classifieds are available.

How to submit an ad. For display advertisements and deadlines, contact Colin MacKenzie; telephone: 604-726-4294; fax: 510-642-9917; e-mail: colin.mackenzie@ucpress.edu. Lead time is approximately two months before the issue date. For classified advertisements, contact Jennifer A. Williams; telephone: 202-628-1500, ext. 209; fax: 202-628-1509; e-mail: jwilliams@aibs.org.

Rates. Line classified advertisements are \$2.00 per word, with a 50-word minimum. Contact Colin MacKenzie for information on the costs of including borders or logos in line classifieds and for information on display classified rates (www.aibs.org/bioscience/advertise.html). Frequency discounts are available.

Free online posting. All classified advertising will also be posted on the AIBS Web site (www.aibs.org) at no additional charge. BioScience reserves the right to edit or decline to publish advertisements. Classified advertisements will be edited and typeset according to BioScience style.
