BioOne Complete (complete.BioOne.org) is a full-text database of 200 subscribed and open-access titles in the biological, ecological, and environmental sciences published by nonprofit societies, associations, museums, institutions, and presses.

Your use of this PDF, the BioOne Complete website, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Complete content is strictly limited to personal, educational, and non - commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

ERRATUM

In ‘Muratov, I.V. 2010. Terrestrial molluscs of Cabo Delgado and adjacent inland areas of north-eastern Mozambique. *African Invertebrates* **51** (2): 255–288’, it was discovered that one of the family names (Pomatiidae) in Table 2 on page 258 was misspelt as Pomatiasidae.

The corrected version of the relevant page is published on p. 230 of this article.

The author and editors apologize for this error.

TABLE 2
 Occurrences of species at nineteen stations in north-eastern Mozambique.
 Abbreviation: s/s – number of stations where species is present (collection lots).

| STATION NUMBERS: | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19 | s/s |
