The BioOne Digital Library (<https://bioone.org/>) provides worldwide distribution for more than 580 journals and eBooks from BioOne's community of over 150 nonprofit societies, research institutions, and university presses in the biological, ecological, and environmental sciences. The BioOne Digital Library encompasses the flagship aggregation BioOne Complete (<https://bioone.org/subscribe>), the BioOne Complete Archive (<https://bioone.org/archive>), and the BioOne eBooks program offerings ESA eBook Collection (<https://bioone.org/esa-ebooks>) and CSIRO Publishing BioSelect Collection (<https://bioone.org/csiro-ebooks>).

Your use of this PDF, the BioOne Digital Library, and all posted and associated content indicates your acceptance of BioOne's Terms of Use, available at www.bioone.org/terms-of-use.

Usage of BioOne Digital Library content is strictly limited to personal, educational, and non-commercial use. Commercial inquiries or rights and permissions requests should be directed to the individual publisher as copyright holder.

BioOne is an innovative nonprofit that sees sustainable scholarly publishing as an inherently collaborative enterprise connecting authors, nonprofit publishers, academic institutions, research libraries, and research funders in the common goal of maximizing access to critical research.

- dium hexamerium* Huff, 1935, in meadowlarks and starlings of the Cheyenne Bottoms, Barton County, Kansas. J. Parasitol. 52: 573–578.
- MANWELL, R. D. 1947. Failure of *Aedes aegypti* and *Culex pipiens* to transmit *Plasmodium vaughani*. J. Parasitol. 33: 167–169.
- . 1951. Exo-erythrocytic stages in *Plasmodium hexamerium*. J. Parasitol. 37: 319–320.
- . 1952. Turkeys and ducks as experimental hosts for *Plasmodium hexamerium* and *P. vaughani*. Exp. Parasitol. 1: 274–282.
- NAYAR, J. K., M. D. YOUNG, AND D. J. FORRESTER. 1980. *Wyeomyia vanduzeei*, an experimental host for wild turkey malaria *Plasmodium hermani*. J. Parasitol. 66: 166–167.
- , ———, AND ———. 1981a. *Plasmodium hermani*: Experimental transmission by *Culex salinarius* and comparison with other susceptible Florida mosquitoes. Exp. Parasitol. 51: 431–437.
- , ———, AND ———. 1981b. *Culex restuans*: An experimental vector for wild turkey malaria, *Plasmodium hermani*. Mosq. News 41: 748–750.
- PINGER, R. R., JR., AND W. A. ROWLEY. 1972. Occurrence and seasonal distribution of Iowa mosquitoes. Mosq. News 32: 234–241.

CORRECTION . . .

The statement that the finding of *Trichinella* in marten is a new host and North American record in:

POOLE, B. C., K. CHADEE, AND T. A. DICK. 1983. Helminth parasites of pine marten, *Martes americana* (Turton), from Manitoba, Canada. J. Wildl. Dis. 19: 10–13.

is in error. Two previous records are known:

SCHMITT, N., J. M. SAVILLE, J. A. GREENWAY, P. L. STOVELL, L. FRIIS, AND L. HOLE. 1978. Sylvatic trichinosis in British Columbia. Public Health Rep. 93: 189–193.

WORLEY, D. E., J. C. FOX, J. B. WINTERS, AND K. R. GREER. 1974. Prevalence and distribution of *Trichinella spiralis* in carnivorous mammals in the United States northern Rocky Mountain region. In Proc. Third Int. Conf. Trichinellosis, C. W. Kim (ed.). Intext Educational Publ., New York, New York, pp. 597–602.
